

Q. If I design my own artwork, what program should I use?

A. In order to ensure print quality, we request the following:

For signs, bumper stickers, letterhead, and envelopes: Adobe Illustrator or InDesign file or an .eps or .pdf file (with fonts outlined).

For mailings and other digital pieces (postcards, palmcards, brochures, lapel stickers, business cards, etc): Adobe Illustrator or InDesign file or an .eps or .pdf file will ensure the best product.
